Gm7

(English Version)

Verse:

O my beloved child, come

And see the riches of the deep blue sea,

Don't cry, oh my precious one,

I shall love you for-ever.

Chorus:

You there, oh, my beloved child.

I will love you, I will love you always,

When you stand with me, oh, and cling together as
friends,

I will love you, I will love you always,

I will love you, I will love you always.
